THE SOVEREIGN RULE OF SOUTH CAROLINA Views of Southern Laws, Life, and Hospitality

Written in Charleston, S. C., by F. C. Adams.

THE above work forms a beautiful 12mo volume of over 300 pages, small pica. Price—in paper, 50 cents; muslin, 75 cents. The usual discount to the Trade. Orders solicited. Copies sent by mail, prepaid, any distance under 3,000 miles, for 61 cents.

The above work is a delineation of the scenes and incidents connected with the imprisonment, in 1852 of Manuel Pereira, steward of the British brig Janson, in the jail of Charleston, S. C.

The following notice of this work is copied from the National Erus of February 17:

"The above is the title of a work now in press founded upon that infamous statute of South Carolina by which her citizens claim a right to imprison colorea seamen, of all nations, and even those cast upon their shores in distress. We have perused the book in advance of its publication, and find that it gives a lifetike picture of Pereira, the vessel in which he sailed the storus she encountered, and her wrecked condition when brought into the port of Charleston, S. C.; to gether with the imprisonment of Pereira, several seamen belonging to the New England States, and two French seamen; the prison regimen, character of the Charleston police, and the mendacity of certain officials, who make the law a medium of peculation. The work is replete with incidents of Southern life and character, pointing Southerners to the things that call for correction at their own hands, with a force that cannot be mistaken. The work is written by one who has taken a prominent part in the affairs of the South and cannot fail to interest alike the general reader commercial man, and philanthropist."

NEW BOOK BY REV. JACOB ABBOTT. "ROLLO ON THE ATLANTIC,"

"ROLLO ON THE ATLANTIC."

DEAUTIFULLY illustrated with original designs.

By Jacob Abbott.

"Rollo on the Atlantic" is the first book of a series to be published under the general title of Rollo's Tour in Europe.

Extract from the Preface:

"The books are intended to be books of instruction, rather than of mere amusement; and, in perusing them, the reader may feel assured that all the information which they contain, not only in respect to the countries visited, and to the customs, bages, and modes of life that are described, but also in regard to the general character of the incidents and adventures that the young travellers meet with, is in most strict accordance with fact. The main design of the narrative is thus the communication of useful knowledge; and everything which they contain, except what is strictly personal, in relation to the actors in the story, may be depended upon as exactly and scrupulously true."

ENGLISH LITERATURE OF THE 19TH CENTURY.

New Edition.

C. & J. BIDDLE, No. 6 South Fifth street,

stereotype edition of

English Literature of the Nineteenth Century,
On the plan of the author's "Compendium of English
Literature," and supplementary to it. Designed for
colleges and advanced classes in schools as well as
for private reading. By Charles D. Cleveland.

The "Compendium of English Literature," by Prof.
Cleveland, comprises biographical sketches and selections from the writings of English authors, from

are selected from a large number equally commendatory of the work:

From Prof. Chauncey A. Goodrich, D. D., of Yale

"I consider Prof. Cleveland's 'English Literature
of the Nineteenth Century' an appropriate sequel to
his 'Compendium.' The author has shown the same
just and delicate appreciation of literary excellence
in this, as in the former volume; and, as it reaches
down to our times, it will be still more interesting to
a large portion of the public, and especially to the
young. Few persons can understand what an amount
of reading, thought, nice discrimination, and laborious cor densation of knowledge, are requisite to the
production of such a work; and just in proportion as
men toil more extensively in this field, will be the
estimate they will put upon this result of the author's
labors."

From George B. Emerson, Esq., of Boston.

From George B. Emerson, Esq., of Boston. From George B. Emerson, Esq., of Boston.

"I have examined your 'English Literature of the Nineteenth Century,' and I like it exceedingly. It is extremely well and fairly done. The biographical notices are just and discriminating; and, while they are long enough to gratify the curiosity we have to know something of an author, they are so spirited as to awaken a desire to know more. The selections are admirable. I have adopted the work as a text rock for my first ciass, every individual of which is now preparing, under its guidance, to give a fuller account of the writings of some one chosen author."

From Rev. B. P. Aydelott, D. D., of Cincinnati.

Prom Rev. B. P. Aydelott, D. D., of Cincinnati.

"I have examined with much care, and still greater pleasure, and, I trust, not a little profit, your English Literature of the Nineteenth Century."

It is, I believe, the richest collection of gems in our language. There is nothing in it I would omit, and yet it is not too large for popular use. Considering the very brief limits to which you were obliged to confine yourself, I am surprised at the fuliness and richness of your biographical details. Your most difficult and delinate task, however, was the critical judgment to be passed upen each author; and here I think you have been very happy—discriminating and just, and yet kind. \* But I would feel that whatever I have said about the volume, however true, ought to be considered as of little worth, could I not add—as I cheerfully do—a strong testimony to its high moral tone and eminently Christian spirit. The general reader cannot fail to be interested, the student profited, the scholar delighted, and the man of piety pleased, with your English Literature of the Nineteenth Century."

THE GREAT AMERICAN TEMPERANCE TALE MRS BEN DARBY:

THE WEAL AND WOR OF SOCIAL LIFE. One Volume 12mo, \$1.

One Volume 12mo, \$1.

The object of this tate is to exhibit in different phases, in high life and low life, the accursed effects of intemperate drinking, the bane of social life, the curse of civilized man. The characters are well and sharply drawn, and the various scenes are described with much spirit and graphic offect. \* \*

We are disposed to regard the book as the best of its kind that has yet appeared.—Boston Travetter.

It is not often that we read a story of any kind, but we have broken our practice, and have read this book not only with pleasure, but with a gratification which but very few nevels have ever afforded us. It is a quiet and simple, but still striking and effective picture of American social life.—Chicago Tribune.

Written with marked ability.—Zinesville Convier.

A thrilling picture of the effects of that infernal bane of social life, intemperance.—Rickmond Palladum.

The style is attractive and fascinating; there is a freshness and originality about it, that is very pleasing. \* \* \* One of its chief merits is the excellence of its conversations.—Enquirer.

Has so many thrilling passages and well-drawn characters, that you read it with absorbed attention it cannot fail to achieve for Mrs. Collins an envisible popularity. She takes us with her to the drunkard's home, and tells of the hunger and the fear, the toil and the suffering, that are there. She paints, with a woman's delicate skill, the meek patience, the long-abused, but unchanging love of the heart, and makes them vibrate with pity and with indignation. Christian Herald.

Though Mrs. Collins has already hosts of admirers of her literary productions, this work, we predict, will increase that number ten-fold, and give her a reputation worthy of her high talents.—New Albany Tribume.

Albany Tribune.

The style is easy, natural, beautiful, chaste, and at times very elequent. We would commend it especially to young ladies, that they may see to what dangers they are exposed, in forming alliances with the fashionable in high life.—Okio Organ.

A deeply interesting and powerful work. It vividly portrays some of the terrific exploits of strong drink in both high and low life. Nor are such scenes as it depicts either imaginary or few. Let this book circulate. It has a beneficent aim, and is the vehicle of admirably old and most salulary lessons.—Presbyterian.

of admirably old and most salulary lessons.—Presbyterian.

\* \* \* Has sketched it in its daintiest form of fascination, as well as in its grim and dismal aspect of open degradation. Rarely has a woman ventured to hold the toreh to such a dark recess of human woc.—Daily Times.

We know of no passage, anywhere, more uniquely beautiful, more intensely absorbing, more overpowering in the pathetic, than the thirty-fourth chapter. It is indeed a gom. We doubt whether the celebrated chapter devoted to the death of Eva, in Unele Tom's Cabin, is superior. \* \* It is certainly the most powerful temperance tale that we have ever perused.—Journal and Messenger.

Beautifully written. \* \* \* A work of great strength and power.—Gospel Herald.
